Thanks Camille,

I had scheduled my equipment for delivery tomorrow afternoon. Will that give you enough time to reach out to everyone who needs to sign? Let me know.

Thanks again,

Noel

Hi Noel,

I learned that after collating, plans need to be stamped by review agencies which may take some additional time..... We will let you know when plans are ready to pick up

Good Morning Camille,

Just checking to see when the permits for lot 9 & 10 would be ready. If you or your staff need assistance collating the plans, I can send Bob or mt Dad to assist.

Thank you very much,

Noel
