Thanks Noel, when do you think you will submit these to Building? In our last email, we requested that Nex Gen print this document as well as the 'Requirements' Document on a Plan Page and submit 5 sets to the Building Section for each of the BLD permits for Lots 9 and 10 (BLD2016-00160 - Lot 9; BLD2016-00158 - Lot 10).

Also, what is status of woodrat survey for Lots 9 and 10?

Hi Camille,

Please find attached the executed agreements for Highlands. Please let me know as soon as possible if we are good to go and I will start erosion control measures immediately.

I want to thank you and Steve for putting this agreement together. I am very excited to be able have the opportunity to get this project started.

Thanks,
Noel
