

**COUNTY OF SAN MATEO
PLANNING AND BUILDING DEPARTMENT**

DATE: November 4, 2022

To: Agricultural Advisory Committee
From: Summer Burlison, Planning Liaison
Subject: Resolution to make findings allowing continued remote meetings under Brown Act

RECOMMENDATION:

Adopt a resolution finding that, as a result of the continuing COVID-19 pandemic state of emergency, in person meetings of the Agricultural Advisory Committee would present imminent risks to the health or safety of attendees.

DISCUSSION:

On October 18, 2022, the County of San Mateo Board of Supervisors adopted a Resolution finding that, as a result of the continuing COVID-19 pandemic state of emergency, meeting in person would present imminent risks to the health and safety of attendees. The Board's adopted resolution invokes the provisions of recently enacted state legislation (AB 361) to continue teleconferencing for meetings, and strongly encourages other County legislative bodies to make similar findings and continue meeting remotely through teleconferencing.

As encouraged by the Board of Supervisors, and for the reasons set forth in the proposed resolution, we recommend that your Committee similarly avail itself of the provisions of AB 361 allowing continuation of remote meetings by adopting findings to the effect that conducting in-person meetings would present an imminent risk to the health and safety of attendees. A resolution to that effect, and directing staff to return each 30 days with the opportunity to renew such findings, is attached hereto.

If the resolution is not adopted, the Committee must meet in person, effective as of November 14, 2022.

ATTACHMENTS:

A. Resolution (No. 14) for Adoption

RESOLUTION NO. (14)

RESOLUTION FINDING THAT, AS A RESULT OF THE CONTINUING COVID-19 PANDEMIC STATE OF EMERGENCY, IN PERSON MEETINGS OF THE AGRICULTURAL ADVISORY COMMITTEE WOULD PRESENT IMMINENT RISKS TO THE HEALTH OR SAFETY OF ATTENDEES

RESOLVED, by the Agricultural Advisory Committee of the County of San Mateo, State of California, that

WHEREAS, on March 4, 2020, pursuant to section 8550, *et seq.*, of the California Government Code, Governor Newsom proclaimed a state of emergency related to the COVID-19 novel coronavirus and, subsequently, the County of San Mateo Board of Supervisors declared a local emergency related to COVID-19, and the proclamation by the Governor and declaration by the Board remain in effect; and

WHEREAS, on March 17, 2020, Governor Newsom issued Executive Order N-29-20, which suspended certain provisions in the California Open Meeting Law, codified at Government Code section 54950, *et seq.* (the "Brown Act"), related to teleconferencing by local agency legislative bodies, provided that certain requirements were met and followed; and

WHEREAS, on July 12, 2021, the Governor issued Executive Order N-08-21, which extended certain provisions of Executive Order N-29-20 that waive otherwise-applicable Brown Act requirements related to remote/teleconference meetings by local agency legislative bodies through September 30, 2021; and

WHEREAS, on September 16, 2021, Governor Newsom signed AB 361, which provides that a local agency legislative body may continue to meet remotely without complying with otherwise-applicable requirements in the Brown Act related to remote/teleconference meetings by local agency legislative bodies, provided that a state of emergency has been declared and the legislative body determines that meeting in person would present imminent risks to the health or safety of attendees, and provided that the legislative body makes such finding at least every thirty days during the term of the declared state of emergency; and

WHEREAS, on October 18, 2022, the County of San Mateo Board of Supervisors made the finding that, as a result of the continuing COVID-19 pandemic state of emergency, meeting in person would present imminent risks to the health and safety of attendees, and therefore adopted a Resolution invoking the provisions of AB 361 to continue teleconferencing for meetings, and strongly encouraging other County legislative bodies to make similar findings and continue meeting remotely through teleconferencing; and,

WHEREAS, the Agricultural Advisory Committee concludes that there is a continuing threat of COVID-19 to the community, and that Committee meetings have characteristics that give rise to risks to health and safety of meeting participants (such as the increased mixing associated with bringing together people from across the community, the need to enable those who are immunocompromised or unvaccinated to be able to safely continue to participate fully in public governmental meetings, and the challenges with fully ascertaining and ensuring compliance with vaccination and other safety recommendations at such meetings); and

WHEREAS, California Department of Public Health and the federal Centers for Disease Control and Prevention caution that the Delta variant of COVID-19, currently

the dominant strain of COVID-19 in the country, is more transmissible than prior variants of the virus, that it may cause more severe illness, and that even fully vaccinated individuals can spread the virus to others, resulting in rapid and alarming rates of COVID-19 cases and hospitalizations (<https://www.cdc.gov/coronavirus/2019-ncov/variants/delta-variant.html>); and

WHEREAS, this Agricultural Advisory Committee has an important interest in protecting the health and safety of those who participate in meetings of this Committee; and

WHEREAS, this Agricultural Advisory Committee typically meets in-person in a public setting, such that the number of people present at these meetings may impair the safety of the occupants; and

WHEREAS, the COVID-19 pandemic has informed County agencies about the unique advantages of online public meetings, which are substantial, as well as the unique challenges, which are frequently surmountable; and

WHEREAS, in the interest of public health and safety, as affected by the state of emergency caused by the spread of COVID-19, the San Mateo County Agricultural Advisory Committee finds that meeting in person would present imminent risks to the health or safety of attendees, and the Committee will therefore invoke the provisions of AB 361 related to teleconferencing for meetings of the Agricultural Advisory Committee, as strongly encouraged by the Board of Supervisors, to make such findings and continue meeting remotely through teleconferencing.

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that

1. The recitals set forth above are true and correct.
2. The Agricultural Advisory Committee finds that meeting in person would present imminent risks to the health or safety of meeting attendees.
3. The Planning staff liaison to the Committee is directed to continue to agendize public meetings of the Agricultural Advisory Committee only as online teleconference meetings, as strongly encouraged by the Board of Supervisors, until the risk of community transmission has further declined.
4. No later than thirty (30) days, or at the beginning of the next regular meeting, after the date of adoption of this resolution the Committee shall again consider whether to make the findings required by AB 361 in order to continue meeting remotely under its provisions.
