

San Mateo County Planning & Building Department

Stormwater Management Owner's Consent Form

Part A shall be completed and signed by the property owner before building permit issuance and submitted to the County Planning and Building Department via email to drainage@smcgov.org.

PART A

OWNER: _____ PERMIT NO.: _____

SITE LOCATION: _____ APN NO.: _____

CIVIL ENGINEER OF RECORD: _____

The Owner, as named above, is responsible to ensure proper inspection and maintenance of the property's stormwater management features in accordance with their design and requirements on approved plans for the project (Sheet #, date, revision #):

in order to keep excessive stormwater and surface runoff from flowing onto and/or flooding adjacent lands (e.g., neighboring properties and the right-of-way) for the duration of property ownership. The Owner shall retain the stormwater management permit-set plans and as-built plans, if any. The Owner shall transfer this form and relevant plans/documents at the time of property transfer to a new Owner.

OWNER'S NAME (PRINT): _____
