Tet Maria,

I tried to send this question to Kanoa but the email got bounced back. Can you help?

Kanoa,

I saw the agenda item for the 7/18 zoning hearing officer meeting re: pickleball courts at the Peninsula Golf & Country Club. I know that noise from pickleball courts has been problematic throughout the nation as the character and tone of pickleball is significantly different than tennis.

Has a noise study been conducted for the proposed conversion of the tennis courts to pickleball courts?
