

Your Guide to the 2020 Census

How to Respond to the 2020 Census Paper Questionnaire

United States®
Census
2020

Welcome to the 2020 Census

Everyone counts.

The goal of this census is to count every living person in the U.S. once, only once, and in the right place. We need your help to make sure everyone in your community gets counted.

Census data are important.

The U.S. Constitution requires a census every 10 years. The results are used to determine the number of seats each state has in Congress, draw boundaries for voting districts, and determine how more than \$675 billion in federal funding is spent in communities each year.

Taking part is your civic duty.

Completing the census is required; it is a way to participate in our democracy and say “I count!”

Your information is confidential.

Federal law protects your responses. Your answers can only be used to produce statistics and cannot be used against you by any government agency or court.

Use this guide to complete the 2020 Census paper questionnaire.

2020 Census paper questionnaires will arrive in mailboxes and on doorsteps throughout the nation.

Before You Begin

1. Find your questionnaire and open it to the first page.
2. Use the information in this guide to mark your responses on the paper questionnaire. **DO NOT WRITE YOUR ANSWERS ON THIS GUIDE.**
3. Before you answer the first question, count the people living in this house, apartment, or mobile home using the guidelines below.

Who to Count

Count the people living in this house, apartment or mobile home:

- Count all people, including babies, who live and sleep here most of the time.
- If no one lives or sleeps at this address most of the time, respond online.

The census must also include people without a permanent place to live:

- If someone who does not have a permanent place to live is staying here on April 1, 2020, count that person.

The Census Bureau also conducts counts in institutions and other places:

- Do not count anyone in a nursing home, jail, prison, detention facility, etc., on April 1, 2020.
- Leave these people off your questionnaire, even if they will return to live here after they leave college, the nursing home, the military, jail, etc. Otherwise, they may be counted twice.

Read the questions and instructions on the next page. 
Do not write your answers on this guide.
