Hi Joyce,

Plans are copyrighted and can't be emailed. So seeing them will need to be in-person (with COVID protocols in place) for now.

Please send an Email to [buildingcounter@smcgov.org](mailto:buildingcounter@smcgov.org) with "Appointment Request to See Plans for BLD2016-00164" in the Subject Line. BLD staff said that the soonest appointment will be within a week.

You will want to look at the Grading Plans in the Civil Planset.

Thanks!

Thanks for your letter of May 3 detailing the modifications to the lots on Ticonderoga in the Highlands. Could you please send me the current map of the expected grading? The copy I have is from 2009.

As we live at 2127 Ticonderoga, we are most concerned with how much grading will occur between us and Lot 5.

Thanks very much,  
Joyce Pennell
